INSTRUCTIONS:

1. Watch Miss Samira & Miss Libby's video by clicking [HERE](#). In the video they will introduce instructions for "Drawing & Filming" poems.
2. **Assignment #1:** After watching the video, you will draw one line from either your "I Wish" poem or "I Know/I Wonder" poem, and write out the line as part of your drawing. Here's an example: *"I wonder if you could go around the world just by walking."*

3. **Assignment #2:** Film a video of you reading your **Shout Out** poem out loud -- using emotion and rhythm in your voice! You can play with reading some lines fast and some lines slow, and practice eye contact and speaking loudly!
4. Email your completed **drawing** and **video** by Tuesday, May 19th to Ms. Samira at: samirasadeque@gmail.com. **Please make sure the drawing and the video both have the student's first and last name in the title!**
5. All done! Thank you, and we can't wait to see your drawings and videos!
